Wow! The Pikes Peak Lavender Film Festival is now in its fifth year, thanks to supporters like you! With your continuing help, we are becoming a Fall tradition in Colorado Springs. We are pleased to announce the fifth annual festival will be held on September 17, 18, and 19 at the Colorado Springs Fine Arts Center. The Pikes Peak area's lesbian, gay, bisexual, transgender family and friends look forward to the festival as one of the premier cultural and community events of the year.

The time to select this year's films will soon be upon us. Our opportunities to secure the best films are greatest if we know we have funding support when we book the films this Spring. We always appreciate any support you are able to provide in sponsoring the program. However, your sponsorship has even greater impact, and appreciation, if you can pledge your support before_____

Attached you will find a form describing sponsorship levels for film and festival sponsors (see both sides). At your option, individual and business sponsors receive recognition in our program, in the lobby and from the stage. Your contributions are tax-deductible as an advertising expense or as a donation to a non-profit, 501(C)(3) organization. This year we will be projecting our sponsor's business logo on the big screen with PowerPoint displays between films.

Each year's festival has built on the successes of prior years and we are fully confident the 2004 event will be no exception. We'll be presenting the most thoughtful, dramatic and/or comedic lavender films produced all over the world in the last year. We look forward to seeing you at the 5th annual Pikes Peak Lavender Film Festival and hope you can sponsor part of the program this year. Thank you for your contribution.

Sincerely, B. Armintor
